

Total Venue Concepts Now offers
Tennant, American Lincoln and PowerBoss Reconditioned Scrubbers
Greatly Speed Up Oil Down and Rain Clean Ups!!!

Fully Operational Tennant M20 - 2011 - 2013. \$21,900.00 Shipping Included

Fully serviced and tested, ready to perform like new.

The Tennant M20 allows for superior cleaning results in just one pass, wet or dry, with FloorSmart™.

Huge 54" Scrub Path

Diesel, Propane and Gasoline units available

FloorSmart™—A patent-pending integrated scrubbing and sweeping system with a high-capacity, high-dump hopper with dry dust control delivers superior cleaning results and reduced component wear on the M20.

MaxPro²™ Hydraulic Technology—Provides consistent power to the brush drive motors to deliver superior scrubbing and sweeping results.

Tennant's Dura-Track™ Parabolic Squeegee—Designed with high tensile strength steel to maintain its original structure without bending under pressure combined with the patented SmartRelease™ breakaway system delivers best in class performance.

Hygenic® Tanks with Variable Drain Valves™—Allow M20 users to quickly and easily access, inspect, and sanitize the recovery and solution tanks.

Variable Drain Valves™ — control the flow of both solution and recovered water to empty tanks without the traditional fuss and mess.
